Factually yes, but not "emotionally" or what a person... Chromosomes determine our... I think chromosomes influenc...
Hormones dictate a person's gender.

230 responses

I'm not sure

I think they do to some extent, but also taking into account that individuals can change their hormones. I recognize howev…

Men and women are naturally different.

230 responses

in some ways I think they are… physically maybe

1/2 ▼
Men are naturally more active and energetic than women.

230 responses

I think they're intertwined when used for grouping people for a very few people's purposes, sometimes selfish.

Gender and race are fundamentally intertwined.

230 responses
Gender and social class are fundamentally intertwined.
230 responses

Gender and capitalism are fundamentally intertwined.
230 responses
Gender is always a performance.

230 responses

The personal is political.

230 responses
I frequently have conversations about gender.
230 responses

I frequently have conversations about race.
230 responses
Queer theory is only helpful for explaining the lives of people who identify as LGBTQ+.

230 responses

I understand sexual identities such as bisexual, asexual, and/or pansexual. (This is not asking if you personally identify as bisexual, asexual, and/or pansexual.)

230 responses
Everyone in the US who should be able to vote is able to vote.

230 responses

I have learned a lot about American women's suffrage - women getting the right to vote.

230 responses
People with disabilities face significant challenges from the ways public spaces are designed.

230 responses

Prisons help solve American crime problems.

230 responses
Popular culture is a relaxing escape from regular life.

230 responses

American TV shows and movies do a good job of representing a range of different people and different experiences.

230 responses
Some religions cause more harm to women than others.
